Your Dues and Giving

Become a sustaining donor to The League of Women Voters—Wichita Metro by setting up an automatic, ongoing monthly donation from your credit card or bank online account using PayPal.

Just \$10, \$15, \$20 or more a month, less than the cost of an average meal out, goes a long way towards helping the League of Women Voters-Wichita Metro achieve our mission of encouraging informed and active participation in government, working to increase understanding of major public policy issues, and influencing public policy through education and advocacy.

Your local League uses funding to register high school and college age students by going to area schools. We bring in speakers to monthly League meetings with your help. And we host events that bring together Leagues from across the state.

Be one of the first to take advantage of our new monthly sustained-giving program. Thank you for helping to sustain your local League.

*Find donation information at lwvwichita.org, email treasurer@lwvwichita.org. or Elaine Harvey, LWV Wichita-Metro Treasurer.
